

MARVIN L. WINANS ACADEMY OF PERFORMING ARTS

August 15, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for the Winans Academy of Performing Arts High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Lindsberg Pettway for assistance.

The AER is available for you to review electronically on the Winans Academy website at www.winansacademy.org. If you wish to review a hard copy of the AER, you may view a copy from the main office at your child's school.

The Michigan Department of Education recently released school accountability reports including the new Michigan School Accountability Scorecards for districts and schools, as well as, its Top to Bottom ranking and the list of Reward, Focus and Priority Schools.

For the 2013 – 2014 school year Winans Academy High School earned a yellow with a score of 80%. The color coded system is explained below.

The Michigan School Accountability Scorecard uses a five-color coded system to indicate the performance of schools and districts and combine traditional accountability metrics with Top-to-Bottom, Priority and Focus school designations and other state/federal requirements.

Colors are determined by points accumulated for goals met, or by demonstrating improvement. The color green is highest, and indicates most of the goals were met. The color red is lowest and indicates few objectives were achieved, and is an area that requires attention.

	Green – attain 85% or greater of possible points
	Lime – attain at least 70% but less than 85% of possible points
	Yellow – attain at least 60% but less than 70% of possible points
	Orange – attain at least 50% but less than 60% of possible points
	Red – attain less than 50% of possible points

The accountability system also replaces goals requiring all students to be 100 percent proficient by next school year, previously required under the federal No Child Left Behind (NCLB) Act. Winans Academy High School also has the following information available:

1. The school improvement plan for the high school is available on the school's website.
www.winansacademy.org

2. The high school operates one 9th-12th high school.

3. Winans Academy High School follows the Graduation Requirements as set forth by the State of Michigan.

4. Student Achievement and Graduation Rate Data is available at:
